## Vicar's Message

*Dear Kharghar St Thomas Family,*

*I want you to know that we are keeping you all in our prayers; the Lord is in control of each and every situation of our life.*

*We are in turbulent times by the world's standards, but I want to encourage you in the Word of God. The Word tells us that "for God has not given us a spirit of fear, but of power and of love and of a sound mind" (2 Timothy 1:7). This scripture informs us of what has already been given to us by the Lord, which enables us to be a part of the solution in the midst of the darkneses that surround us. Let us be the light during this time by exercising self-control, demonstrating love to our neighbors, and not walking in fear. As we do so, we will bring glory to the Lord and point others to Him.*

*As a church, we are seeking the guidance of the Holy Spirit, who wants us to move as He moves. We know we must be careful and aware of what is going on around us, and we are taking precautions to ensure the safety of all. It is not out of a spirit of fear, but from one of wisdom. It's fortunate to see that the church is getting open and praying that all our difficult times will be over soon. I have been experiencing God's abundance mercy all these days at Kharghar through our beloved members. With the support of our beloved members, we are able to meet our debts and slowly repaying it. I appreciate all who took this pain and extended their support to the church.*

*We hope and pray that all our difficulties will vanish and a peaceful atmosphere will be coming for us to have more fellowship meetings without having any fear of covid situation. I appreciate the managing committee and the church lay leadership in extending their services to fulfill the needs of the church.*

*Keeping you all in prayers*

*Love and blessings*

*Rev. Pratheesh Joseph*
