Message from Vicar

Greetings in the name of our lord and savior Jesus Christ.

Dearly beloved in Christ I believe and pray that you all are safe and well. We have been travelling through a pandemic season, but it is such a blessing that the lord has kept all of us safe from all the dangers. Through the prayer, and guidance from the lord we have sustained ourselves.

So with you: Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy (John 16:33)

Hurt and pain are guaranteed in this world. Jesus tells us that we will have trouble but that we can take heart because He has overcome the world. Through scripture, we can be comforted by knowing that God is faithful, and is always looking over us. He truly cares and is our protector and comforter in times of need. Whatever the circumstance may be, we can use these comforting Bible verses to find a peace that passes understanding.

Stop and rest today as you read these words of comfort from your Lord and Creator. Meditate on these Scripture passages throughout the day when you feel anxiety or grief wash over you. God is the same yesterday, today, and forever and He promised to never leave you. Hold onto the promises of God as you seek His peace and comfort today. He is our refuge and shelter, let's abide in Him alone.

When we come to the church administration, I am very happy that the previous management committee has done their level best in managing the church for the past one year, let me take this time to appreciate each and every member of the managing committee who has contributed the best for the lord. Also wishing all the very best for the new committee members and all organization office bearers.

It is such a joy that all of our organizations are taking efforts to meet our expectations. I specially appreciate the efforts of Parish mission in coordinating the Bible correspondence course. I am glad and grateful to the lord to see the numbers of participants in the Sunday worship. When I see all maximum participation I always thank God for you all. My sincere appreciations and prayers to the families who are taking extra efforts in making your participation in the Sunday worship. I strongly believe that our worships and fellowships will enrich and encourages us to face a better tomorrow.

By god's grace we will able to meet the expectations of the Parish, and our financial needs are being met in a balanced manner till today. It is our church member's sincere effort and commitment to the lord that all these things were met meticulously. We are a group working together, walking together, dreaming together for a better future. We the Mar Thoma Community in Kharghar will flourish up to God's expectations in the coming days. God has a better dream about all of us. Praying that the lord will bless all of us to be His witnesses.

With love and prayers

Pratheesh Joseph Achen
